

# Children of Fallen Soldiers Benefit Poker Run

Saturday - May 17, 2008

As an unfortunate consequence of Operation Iraqi Freedom and America's war on terror, many children of our active-duty military personnel are now members of single-parent families. In most cases, this also means their chances to attend college have greatly diminished. Children of military personnel killed on active duty are entitled to receive money toward a college education. But it's not enough. We are raising funds to ensure that higher education will be a reality for these families.
